Distribution of such payments to the Beneficial Owners is the responsibility of the DTC Participants and Indirect Participants, as more fully described in “APPENDIX B - BOOK-ENTRY ONLY SYSTEM” in the Preliminary Official Statement.

\* Subject to Change

## **Authority, Purpose and Security**

The Bonds are authorized pursuant to the Constitution and statutes of the State of Missouri and an ordinance expected to be adopted by the City on May 23, 2019 (the “Bond Ordinance”).

Proceeds from the Bonds, together with other legally available funds of the City, will be used for a current refunding of \$3,790,000 aggregate principal amount of outstanding General Obligation Refunding Bonds, Series 2010B. The refunding is described in greater detail in the Preliminary Official Statement under the caption “THE REFUNDING.”

The Bonds are general obligations of the City, and the full faith, credit and resources of the City have been irrevocably pledged to the payment of the principal of and interest on the Bonds. The principal of and interest on the Bonds are payable from ad valorem taxes that may be levied without limitation as to rate or amount on all taxable, tangible property within the City.

## **Redemption**

The Bonds are not subject to redemption prior to maturity.

## **Submission of Bids**

Bids must be submitted via **PARITY**<sup>®</sup> in accordance with this Notice of Bond Sale, until 10:00 o’clock a.m., Central Time, on the Sale Date. To the extent any instructions or directions set forth in **PARITY**<sup>®</sup> conflict with this Notice of Bond Sale, the terms of this Notice of Bond Sale shall control. Further information about the electronic bidding services of **PARITY**<sup>®</sup> may be obtained from Parity at (212) 849-5021.

## **Adjustment of Principal**

A bidder may designate as term bonds any consecutive maturities of Bonds currently shown as serial bonds. Any bidder electing to designate term bonds shall specify the current serial bonds by year of maturity which are to comprise a term bond. The final year designated shall be deemed the year of maturity of the term bond. Term bonds shall be subject to mandatory sinking fund redemption by lot in the amounts specified for the serial bonds, at a redemption price of 100% of the principal amount thereof.

The City reserves the right, in its sole discretion on the date of sale, to increase or decrease the principal amount of each maturity of Bonds or, in the case of term bonds, such amounts that are subject to mandatory sinking fund redemption. The aggregate principal amount of the Bonds shall not exceed \$3,790,000.

If any changes are made to the principal amount of any maturity of Bonds or, in the case of term bonds, any mandatory sinking fund redemption lot, the purchase price will be adjusted to result in the same dollar amount of profit per \$1,000 principal amount of bonds based on the Certification of Offering Prices (see “Offering Yields and Certification as to Offering Prices” in this Notice of Bond Sale).

The principal amounts and maturity dates shown on the first page of this Notice of Bond Sale shall be used for purposes of computing the TIC (as hereinafter defined) used for awarding the Bonds.

## **Conditions of Bids**

Proposals will be received on Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/100 of 1%. No interest rate shall

exceed 3.00% per annum. No supplemental interest payments will be authorized. Bids must be for all of the Bonds at a purchase price of not less than 103.0% of the principal amount and the purchase price expressed as a dollar amount shall be included in each bid. Each bid shall specify the total interest cost (expressed in dollars) and the true interest cost (expressed as a rate) for the Bonds, which shall be considered as informative only and not binding on either the bidder or the City. Each bidder agrees that, if it is awarded the Bonds, it will provide the City a certificate regarding offering prices of the Bonds as described under the caption "Offering Yields and Certification as to Offering Prices" in this Notice of Bond Sale. By submitting a bid, each bidder represents that it has an established industry reputation for underwriting new issuances of municipal securities.

### **Good Faith Deposit**

A Good Faith Deposit ("Deposit") in the amount of \$75,000 shall be made by the bidder expected to be awarded the Bonds (the "Successful Bidder") by federal wire not later than 2:00 o'clock p.m. Central Time on May 23, 2019, according to wire transfer instructions provided by the City or its Municipal Advisor. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. If a bid is accepted, the Deposit shall be held by the City until the Successful Bidder shall have complied with all of the terms and conditions of this Notice of Bond Sale, at which time the Deposit shall be deducted from the purchase price. If a bid is accepted but the City shall fail to deliver the Bonds to the Successful Bidder in accordance with the terms and conditions of this Notice of Bond Sale, said Deposit shall be returned to the Successful Bidder. If a bid is accepted but the Successful Bidder defaults in the performance of any of the terms and conditions of this Notice of Bond Sale, the proceeds of Deposit shall be retained by the City as and for liquidated damages.

### **Award of the Bonds**

If the Bonds are awarded, the award will be to the bidder whose bid will result in the lowest interest cost to the City determined in accordance with the true interest cost ("TIC") method of calculation by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds to equal the price bid. In the event that two or more bidders offer bids at the same lowest TIC, the City shall determine by lot which bidder shall be awarded the Bonds. Interest will be computed on a 360-day year basis.

The City reserves the right to waive irregularities and to reject any or all bids. Such actions could result in the rescheduling of the sale date or the sale of the Bonds through a negotiated process.

### **Delivery and Payment**

The City will pay for printing the Bonds and will deliver the Bonds to DTC or the Paying Agent as DTC's agent properly prepared, executed and registered, without cost to the Successful Bidder within 30 days after the date of sale at such security depository, bank or trust company as may be specified by the successful bidder. The Successful Bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and customary closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity, and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in Federal Reserve funds, immediately available for use by the City.

### **CUSIP Numbers**

CUSIP identification numbers will be assigned to the Bonds, but neither the failure to assign such number to any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of

this Notice of Bond Sale. All expenses in relation to the assignment of CUSIP numbers will be paid by the City.

### **Rating**

Moody's Investors Service, Inc. has assigned the Bonds a "Aa1" rating. The rating is described in greater detail in the Preliminary Official Statement under the caption "RATING."

### **Legal Opinion**

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., St. Louis, Missouri, Bond Counsel, whose approving legal opinion will be furnished and paid for by the City, and delivered to the Successful Bidder when the Bonds are delivered. Said opinion will also include the opinion that interest on the Bonds is exempt from income taxation by the State of Missouri and is excludable from gross income of the owners thereof for federal income tax purposes.

The opinion will also state that the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

The opinion of Bond Counsel is described in greater detail in the Preliminary Official Statement under the caption "TAX MATTERS."
